The Riservas from this Tuscan white wine appellation are often worth a second look. This is the case with the oak-aged 2015 Vernaccia di San Gimignano Riserva Benedetta. This is a mid-weight expression that is infused with rich notes of honey, sun-dried apricot and exotic saffron. This wine has the texture and the power to age over the next five years. The finish offers slightly oxidized flavors of caramel and sweet butterscotch. Only 4,000 bottles were produced.
